

Gary Cocker

6747 Friars Rd. Suite 118

San Diego, Ca. 92108

619-997-2600

Current Activities

Gary Cocker's voice is heard throughout Southern California on radio and television commercials and promotional announcements. In addition to his broadcasting work, Cocker moderates 'Netseminars' for the electronics and biomedical industries on Netseminar.Com, a provider of news and information for the hi-tech community. Freelance voice over work includes servicing his own client list and working with leading local production companies including Tuesday Productions and Studio West.

Multimedia production and website development has become an area of increasing interest. Cocker is qualified as a video editor (linear and non-linear), and multimedia author. He is knowledgeable in programs including Pro Tools, DVD Studio Pro, Final Cut Pro, EditDV, Quicktime Pro, Adobe Premiere, Photoshop and Illustrator; Macromedia Director, Fireworks, Flash and Dreamweaver; Microsoft Office Suite (PowerPoint & Excel emphasized). Cross Platform capable on all applicable programs. OS experience includes Mac, MacOSX, Windows (all variants) and Unix/Linux.

Gary is single, lives in San Diego, California and enjoys Tennis, Golf, Sailing and Flying.

Favorite charities include ChildReach, the Make a Wish Foundation and St.Vincent de Paul Center.
